Plier et coller

Prendre un carton de 30 x 30 cm et le peindre.

- Pour les huttes : prendre des pots de yaourt, les laver et découper un rectangle pour faire la porte.

Les décorer selon son goût.

- Imprimer les animaux, les arbres, les personnages et les découper. Les peindre et plier les bandes blanches et les coller sur le carton.

Ton village dans la brousse est construit.
